We need your help?

Lifestart receives some government funding, but a lot of our financial support comes from community fundraising, donations, bequests and other activities.

On behalf of the children and families at Lifestart, we thank you in advance and greatly appreciate you choosing to fundraise for children living with disability and delay.

Lifestart has deductible gift recipient (DGR 444769) status. All donations \$2.00 and over are tax deductible.

Thank you for your fantastic fundraising efforts!

Here's how to send in the money you raise at your fundraising event and/or your offline sponsorship money:

- Create a supporter page online at Everyday Hero and send the link to family, friends and colleagues to donate to your cause.
- Download a [sponsorship form](#) for collecting sponsorship at www.lifestart.org.au/supportus.
- Download a [donation form](#) to pay in the money raised to Lifestart direct.
- All cheques should be made payable to "Lifestart Co-operative Ltd"
- Please remember to state your name, address and title of your fundraising event / activity in all correspondence, so we can thank you and acknowledge receipt of your funds.
- Please also enclose any sponsor forms with the names/addresses of your sponsors and whether they would like us to provide a receipt for their donation.

ONLINE:

Lifestart offers a number of platforms for fundraising:

Everyday Hero – Create a Supporter Page and start fundraising - <https://passport.everydayhero.com/au/sign-up>.

What is a Supporter page? A Supporter page is a special webpage with a URL (link) you can use to support a charity or cause. Your Supporter account (where your pages reside) is a living record of your journey and actions to create better outcomes for the issues you care most about.

Your Supporter page isn't just an online collection tin. You can also use it to: inspire others with a story about why you are supporting your charity/cause, post updates, images and videos, tell your social networks and ask others to help you make a real difference.

You can ask anyone to help you by simply sharing the link to your page, through which they can easily sponsor you (and your chosen cause) and leave a message of encouragement. And don't worry - all donations are processed by Everyday Hero and passed on to the charity you are supporting!

Creating a Supporter page - There are two types to choose from: an Individual Supporter page, or a Team Supporter page. A Team Supporter page is the best option if you intend to make a difference for your cause as part of a team with family/friends or work colleagues.

Who is Everyday Hero? - Everyday Hero creates a caring economy whereby the process of everyday living creates benefits for people in need, community causes and the environment. We are also committed to making it easier, more efficient and more rewarding for people to contribute to these causes.

What forms of payment does Everyday Hero accept? We accept online payments using the following credit cards: VISA, MASTERCARD. We also accept PayPal. When transacting via Everyday Hero secure server, your credit card and personal details are encrypted using the latest industry standard SSL (Secure Socket Layer) 128 Bit encryption technology before being sent over the internet. Your credit card number is removed from our on-line server and is stored on a separate secure server.

To link your friends into your fundraising with Lifestart you have a few options:

- Link – Provide your friends to the link of your Supporter Page.
- Sponsoring a Supporter – Simply type in the first name, last name or name of the team your friend is participating in. You can then link to their Supporter page to make a donation.
- Finding an Event – type in the name of the event you are looking for and if we are supporting it, you'll be able to link through to out more information about the event from participation to sponsoring a family member, friend or work colleague. E.g. Kayak for Kids.
- Searching for a Charity – Type in “Lifestart” and find our home page to learn more.

Donation's via Lifestart website

Lifestart's website has a secure donation portal at <http://www.lifestart.org.au/support-us/donate-to-lifestart>. A receipt acknowledging your donation will be sent to you.

BY MAIL

Donation form: This kit offers a donation form that can be downloaded and sent to us with a cheque, money order or credit card payment should you wish not to give your details on line

Sponsorship form: Download a sponsorship form and use it to get instant support from colleagues, family and friends. This is a great way to get someone to commit on the spot rather than waiting for them to go online.

Don't forget to share your fundraising story on social media to encourage other people to support your or join your fundraising efforts to support Lifestart's services supporting children living with a disability.
